 - 1.4 No Order, variation or amendment thereof, addition or a complement thereto shall be binding on the Buyer other than an Order or change Order issued by the Buyer and duly signed by an authorised representative of the Buyer.
 - 1.5 If individual terms of these GPC cannot be applied for any reason whatsoever in respect of a particular Order, such terms shall be severed from the remaining terms of these GPC, which remaining terms and conditions will remain unaffected and binding on the Buyer and Seller.

In this case, the Seller shall have no claim for interest (even on a portion of the price), penalties or any other compensation whatsoever in relation to such non-payment.
- 2.5 The absence of an express rejection of an invoice shall not constitute acceptance thereof or of the Goods by the Buyer and payment of an invoice shall not constitute acceptance by the Buyer of any Goods ordered or Delivered. - 6.9 No inspection, approval or acceptance of Delivery of Goods shall relieve the Seller from responsibility for defects or other failures to meet the requirements of the Order or comply with these GPC.
- 6.10 The Seller shall supply the Goods and all spare parts, accessories or components thereof for repair, maintenance or extensions of the Goods ("**the Parts**"), through the whole period of the Order and thereafter for a period of 2 years after the relevant Goods have been put into service and warrants that the production and/or distribution of the Goods and the Parts will not be discontinued. If the Seller intends to stop production and/or distribution of all or part of the Goods or the Parts after the Delivery date of the Order, the Seller shall inform the Buyer of this fact at least one year in advance, so that the Buyer still has an opportunity to place additional orders and obtain sufficient Parts.

Modification or replacement of the Goods shall never result in a decrease or reduction of the functionality or fitness of the Goods for the particular purpose for which the Goods were ordered by the Buyer. If the Seller fails to carry out its obligations as set out herein, the Buyer, with five business days advance notice to the Seller, shall be entitled to take such actions as it deems necessary and to recover the total cost of the Goods from the Seller.
