STATEMENT

Incident near Metalkol SA site on 16 June 2025

Kolwezi, 16 June 2025 – An incident occurred on a slip road of the RN39 highway, located outside the Metalkol SA (the Company) site (a subsidiary of Eurasian Resources Group (ERG)), involving a logistics subcontractor's truck.

Preliminary information indicates that two individuals accessed the rear of the moving vehicle without authorisation while it was stationary on the roadside. One of them jumped from the moving truck and unfortunately succumbed to their injuries. The second individual also jumped from the truck and is believed to have fled the scene.

Metalkol SA expresses its deepest condolences to the victim's family and friends. As a mark of solidarity in this tragic incident, the bereaved family has been provided with the necessary support.

Although the incident occurred outside the Company's premises and Metalkol SA bears no direct or indirect responsibility, the Company is treating the matter with the utmost seriousness. The available information indicates this was an isolated incident on a public road, with no apparent breach of obligations by the Company or its subcontractor.

Metalkol SA reaffirms its ongoing commitment to safety and security. These standards are strictly enforced throughout the entire value chain, including subcontractors and partners.
